reduced state," as set forth in the description, has no basis in the disclosures in the claims).

The inventions that are set forth in claims 3 and 8 do not involve an inventive step in the light of document 1 and document 4 (fig. 3) cited in the international search report. It would have been easy for a person skilled in the art to conceive of employing the image display configuration that is disclosed in document 4, wherein the images are inclined by a prescribed angle in relation to the screen for display, in the image display method that is disclosed in document 1.

The inventions that are set forth in claims 4 and 9 are disclosed in document 1 and document 2; therefore, the inventions in question lack novelty and do not involve an inventive step.

The inventions that are set forth in claims 5 and 10 are disclosed in document 1; therefore, the inventions in question lack novelty and do not involve an inventive step.
